## **FEDERAL HOME LOAN BANK SYSTEM COMMUNITY SUPPORT REQUIREMENT**

### Notice to Applicants

---

The Federal Home Loan Bank Act (12 U.S.C. § 1421 et seq.) requires the Federal Housing Finance Board (“Finance Board”) to develop regulations to condition financial institutions' access to Federal Home Loan Bank (“FHLBank”) long-term advances on members' meeting certain standards of community investment or service. Long-term advances are defined by the Finance Board as advances with a term greater than one year. Community Support regulations to implement the law may be found at 12 C.F.R. Part 944.

Each quarter, the Finance Board will select at random a portion of the FHLBank System members for Community Support review. All FHLBank System members will be reviewed approximately once every two years. At the same time the members selected for review are notified, the applicable FHLBank will send a notice to community groups and other interested members of the public.

Under the Community Support regulations, members of the FHLBank System will be required periodically to send their FHLBanks a completed Community Support Statement (“Statement”). This Statement will include the following:

1. Information concerning assistance to first-time home buyers;
2. Information concerning any violations of the Fair Housing or Equal Credit Opportunity Act; and
3. Any other relevant information the member wishes to include.

The FHLBank of Dallas (“Bank”) will be available to assist the member in completing the Statement. Once completed, the Bank will forward the Statement to the Finance Board for evaluation. Although the Bank will not evaluate the Statement, the Finance Board will review the Statement for evidence of Community Support.

The Bank has established a Community Support Program to assist members in complying with these requirements. The Bank staff will be available to assist members in complying with their preparation of Statements and other information related to these requirements. For questions concerning the Community Support requirements, please contact our Office of Community Investment at (800) 362-2944.
