Housing Assistance for Veterans Program

The Housing Assistance for Veterans (HAVEN) is a grant program offered through FHLB Dallas members that helps fund home modifications and repairs for United States veterans, active-duty, reserve and National Guard service members who became disabled as a result of their military service since September 11, 2001 (9/11). Besides service members, HAVEN funds can also be awarded to Gold Star families, which are families who have lost loved ones to military service since 9/11. Households with income of 165 percent or less of the area median income may qualify.

With an easy application process and flexible qualification criteria, HAVEN is a grant program that is easily attainable for those it was created.
