“FHLB Dallas’ commitment to hire woman-owned businesses hits us right in the pocketbook, in a good way. We’ve partnered for several years now and we are thankful for the relationship and what it has meant to us as a woman-owned company with deep roots in the community.”

James Quinonez, Representative

“As a small business owner, being a diverse vendor helps level the playing field and allows for fair competition as well as provides contract opportunities that my business might not otherwise obtain.
