Introducing the Housing Assistance for Veterans Program

Helping Better the Lives of Service Members and their Families

When we consider the toll it takes on a veteran's physical health, mental health, living conditions and lifestyle after he or she has spent years serving the country, we see a greater need to offer programs that will improve their post-service lives in the most fundamental way.

The Housing Assistance for Veterans (HAVEN) program from the Federal Home Loan Bank of Dallas (FHLB Dallas) provides grants to veterans, who need home modifications related to their disabilities or other housing needs. HAVEN is one small way of giving back to those who have given so much of their lives to protect and serve.
